and

RENEW

This is an agreement between the "Anti-Corruption Commission", hereinafter called ACC and "the RENEW", hereinafter called RENEW.

I. PURPOSE & SCOPE

The purpose of this MOU is to foster partnership between the ACC as a constitutional body and the RENEW as a registered CSO in combating corruption in the country.

In particular, this MOU is intended to:

- Establish a sustained and effective collaboration and partnership between ACC and RENEW in combating corruption in the country.
- Enhance prevention and education aspects of anti-corruption function through participatory approach of the RENEW.
- Increase the level and reach of anti-corruption and corruption awareness program through the voice of RENEW.

II. BACKGROUND

As enshrined in the Constitution of the Kingdom of Bhutan, 'to uphold justice and to act against corruption' is a fundamental duty of every citizen. RENEW is a Civil Society Organization and therefore it is pertinent for it to assume the constitutional duty of upholding justice and acting against corruption for everyone's benefit. It is in this light that the ACC, as a constitutional body mandated to prevent and combat corruption, will partner and collaborate with RENEW in fulfilling its mandate.
